Quatuor verò Burgundiæ nobilitatis præcipuæ familiæ; vtpotè, quæ à Burgundiæ Regibus & Principibus originem ducere narrentur, vel cum ijs adfinitatem contraxerunt, commemorantur. Videlicet, De Vienne, cui Nobilitatis epitethon titulusque tribuitur, De Vergy, cui ſtrenuæ titulus datur. De Chalon, quæ opulentæ diuitisque nomen obtinet, Auraicique Principatus titulum. De Nevfchastel, quæ feudis eſt inſignis.

Hæc ex Gilberto Cognato Nozereno ad verbum fere transcripſimus omnia: & quia in tres Prefecturas dominia omnia diſtribuit & proſequitur, adeoq; haud vaga eſt locorum in tabula inquiſitio, numeros omiſimus: præcipuè dum quæ quærentur, ſignis additis, vt turribus & crucibus, facilè ſe pandant. Plura autem nominat Cognatus quæ in tabula non ſunt: noluimus tamen ea omittere, vt totam Nobilitatem quam recitat ille, complecteremur.

Iuriſdictio. *Appellationes omnes ex tribus Diœceſibus ſiue Balliuatibus; Dolam, ad ſupremum Comitatus huius Parlamentum, referuntur.*

Status Eccleſiaſticus. *Archiepiſcopus Biſuntinus; cui ſubſunt tres Epiſcopi, Baſilienſis in Germania & Heluetia, Lauſanenſis, & Bellicenſis, in Sabaudia; Eccleſiaſticæ adminiſtrationis eſt caput, Princepsque Imperij.*
